Liability Disclaimer

- The material, content and information contained on this website is for general information purposes only. Blog posts are intended to reflect learning toward my education, personal experiences as well as research and learning conducted on my own time. I am in no way a professional and do not advise reading articles that can trigger you. I do not advise reading articles that make you feel uncomfortable, as some topics on this website can be uneasy to talk about. Strategies and resources provided have worked in my personal life, and may or may not work for you.

- You should not rely upon the material or information on the website as a replacement for seeking out help if you find yourself in a dangerous or life-threatening situation. You should not rely upon the material or information on the website as a replacement for professional services including psychotherapy, medical treatments or medication.
DISCLAIMER

- It is your responsibility to evaluate your own medical and physical condition, and to independently determine whether to perform, use, or adapt any of the information or content of this website.

Legal Disclaimer

- While I endeavor to research and keep the information of my blog up to date and correct, I make no warranties of any kind. Any and all access or use of my site and any site linked to and from my site is therefore strictly at the risk of each user.

- Certain links in this website will lead to websites and other sources which are not under my control. When you activate these you will leave the Karelyval.com website. I have no control over and accept no liability in respect of materials, products or services available on any website which is not under my control on the Karelyval.com website.
Plagiarism Disclaimer

- Plagiarism is defined as “passing off of another’s ideas, words, or work as one’s own”. Plagiarism is a form of cheating and violation of academic integrity which is taken seriously by many schools and universities. References, quotes, sources, and aids are indicated by in-text citations and are provided at the end of each blog post.

- Content and information on the Karelyval.com website should not be used as coursework, projects, essays, or any form of academic setting. Cited sources and journal articles are available for students for their own academic purposes and research, but this should not include written content and information from the Karelyval.com website.
